Messages from President Truman and Others The Bishop called upon the Secretary to read several congratulatory messages from President Truman and other distinguished men. The President's message follows:

THE WHITE HOUSE
Washington

December 9, 1946

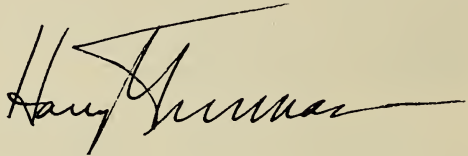

Dear Bishop Martin:

It is a pleasure to extend hearty greetings through you to all who participate in the centennial conference of Methodism in the State of Louisiana on January 6, 1947.

This centennial will mark an important milestone in the history of Methodism in the Southland. It will bring to the minds of Methodists of today the days of the old circuit riders so familiar to their fathers and grandfathers.

What these early pioneers of Methodism had was happiness in religion—a joy in the gospel of Christ—which inspired them to earnest and enthusiastic discipleship. I trust that their descendants will recapture during the centennial service something of this joy in the love of God to which their forbears gave such faithful witness.

Very sincerely yours,

A handwritten signature in dark ink, appearing to read "Harry Truman". The signature is fluid and cursive, with a long horizontal line extending from the end.

Bishop Paul E. Martin,
Little Rock, Arkansas

Other Messages Messages were also read from Mr. Charles Taft, president of the Federal Council of the Church of Christ in America; Bishop Hoyt M. Dobbs, Governor James H. Davis of Louisiana, former Governor Samuel H. Jones, the Methodist pastors of the Houston District, and others.

REPORTS

BIBLE BOARD

The Bible is the Word of Truth, and in it are contained words of instruction and divine inspiration. Realizing that this great Book holds for man that which can be found nowhere else, we believe that it is impossible to stress too strongly the need for a more extensive use in our homes and churches.

Since the American Bible Society is exerting such great effort in the interest of more Bible reading, we urge the continued support of this most worthy organization.

Believing that the World Wide Bible reading plan from Thanksgiving to Christmas, sponsored and promoted by the Bible Society, is of great value in the cultivation of the spiritual life of our people, we therefore urge every pastor and leader to secure all available materials, to publicize widely and in every way possible promote this reading among our people.

We further recommend the materials contained in the packet distributed by the American Bible Society be carefully examined and that all necessary materials for the conducting of the above mentioned World Wide reading plan be immediately ordered.

We appreciate the work and efforts of the Gideons in distributing and promoting the use of the Holy Scriptures. May we continue with them our efforts in directing our people into a more faithful and helpful use of the Bible.

JEROME CAIN, Chairman.

W. C. MASON, Secretary.

REPORT OF CAMPING COMMITTEE

The Committee appointed by Bishop Martin for the purpose of making a study of the Conference policies in the camping program of the Conference, wish to make the following recommendations:

1. That Camp Brewer be definitely continued as a Conference project and equipped to meet the total needs of the Conference.

That the World Service Commission of the Conference appropriate \$2,000.00 for the coming year for Camp Brewer, \$1,000.00 to be used for the salary of a Camp Superintendent and \$1,000.00 for maintenance.

That the Louisiana Conference Methodist Youth Fellowship be

asked to appropriate \$2,000.00 of the Swimming Pool fund to be used for the construction of a lake.

That a Superintendent be appointed by the Cabinet of the Conference for the Camp.

2. That Districts be encouraged, where it seems advisable, to build camps for their District use, with the Conference authorization to solicit money from individuals and local churches in the District.
3. That the construction of new camps and the improvement of established camp follow a Master Plan, this master plan set up by some reliable camp architect.
4. That local church groups be encouraged to plan camp activities on the basis of the needs of the local church.

Members of the Committee include, E. B. Emmerich, Charles N. White, J. T. Harris, Hubert A. Gibbs, E. R. Haug.

E. B. Emmerich, Chairman

E. R. Haug, Secretary.

CONFERENCE CLAIMANTS NO. 1

We, your Board of Conference Claimants, recommend that an amount equal to 10% of the pastor's salary, associate pastor or assistant pastor, or assistant to the pastor, and all members of the Conference employed in connection with a pastoral charge who will be claimants upon this Board for annuities at retirement, be assessed against the charge where the member, or the members of the Conference are serving for the benefit of the claimants, and handled as set forth in paragraph 1624 of the 1944 Discipline.

We further recommend that an amount equal to one-half of one per cent ($\frac{1}{2}$ of 1%) of the pastors' salaries be sent to the Missouri Corporation, which amount is to be used by that Body for an equalization fund. The said amount is to be paid out of the fund raised through the 10% assessment against the pastoral charges.

BOARD OF CONFERENCE CLAIMANTS NO. 2

We, your Board of Conference Claimants, call attention to the action of the Conference in approving Report No. 2 of this Board at the 1944 session, found on page 32 of the 1944 Journal, calling for the setting up of a "Committee on Wills and Legacies" for the purpose of cultivation and promotion in behalf of the Conference Claimants and their support. We urge that this be done at the first Quarterly Conference of the new year.

We further recommend that the year 1947 be designated as a

period of exploration, cultivation, and planning in interest of the cause of the Conference Claimants with a view to setting up a program for more adequate and permanent support for them.

SIDNEY A. SEEGER, Chairman.

W. D. MILTON, Secretary.

BOARD OF EDUCATION—REPORT NO. 1

Your board has reviewed reports presented by officials of Centenary College of Louisiana, which indicates progress along all lines.

The college has the largest enrollment in its history. In 1945-46, the student enrollment was approximately 850 daytime students and 400 evening school students. A report from the registrar of the college, dated October 15, 1946, showed a registration of regular day students totaling 1,335. Of these 932 live in Shreveport, 59 in Caddo Parish outside of Shreveport, 179 in the State of Louisiana, 64 in Texas, 34 in Arkansas, 65 from twenty-one other states, and 2 from foreign countries. Adding the evening school enrollment, we find that more than 1,800 are now taking work at Centenary College of which 1,000 are veterans.

In order to adequately care for the increased enrollment, it was necessary to increase the teaching staff by approximately 70 per cent. Many of the men and women added to the staff are outstanding in their work and will bring to the college new ideas and new enthusiasm. The size of the faculty and student body means that Centenary College is now in every respect a going concern which fully deserves the enthusiastic support of the members of the Louisiana Conference.

Centenary College closed the last fiscal year with a surplus in its operating account, and the financial prospect for the present year is very promising. Centenary College has no indebtedness whatever, and the funds secured from the Greater Centenary College Program can be used for constructive work.

The Carnegie Foundation for the Advancement of Teaching has made Centenary College a grant of \$4,000 each year for five years in order to promote creative work in the faculty. To this the college is adding \$1,000 each year, thus making \$5,000 available for this purpose. The General Board of Education is also making available the sum of \$24,000 for the building program of the college.

We are also glad to report the donation of surplus property by the government to the college valued at approximately \$25,000. In addition to this, the college has completed veterans' housing for 68 married veterans and 96 single veterans. We now have on the

Centenary College campus veterans' housing the value of which must come to at least \$400,000. All of this was donated by the United States Government at negligible cost to the college. Seventeen additional lots adjoining the present college property have been purchased for use as a veterans' housing site and location for future teacher residences. We are also glad to report that the Haynes Campus of Centenary College was leased from August 1, 1946, to the Veterans Administration for the use of its regional offices at a rental of \$3,000 per month. It is our belief that the Veterans Administration will be in this location for an indefinite period.

The Greater Centenary College Program in Shreveport and Bossier City will carry forward the completion of its efforts to raise \$530,000 in these two cities between December 2 and 9. To date, more than \$340,000 has been secured. We have every reason to believe that the goal of \$530,000 will be reached by December 31. In addition to this, the college is fortunate in that the people to whom Christian education has made a decided appeal have begun to remember Centenary College in their wills. This should add greatly to the financial strength of the college in the years ahead.

We are especially glad to report that spiritual values are being emphasized in the classroom and on the campus and that every effort is made to provide our students with the very best speakers and to bring to them messages of spiritual value. Dr. Grace Sloan Overton has just completed a week on the college campus, was well received by the students, and made a great contribution to the student life of Centenary.

RECOMMENDATIONS:

1. We recommend the appointment of Dean R. E. Smith as Professor Emeritus of Biblical Literature.

2. We recommend the re-election of the following trustees of Centenary College, to serve until 1949: Lamar Baker, Chris Barrette, S. H. Bolinger, W. H. Giles, Floyd James, H. L. Johns, Joe W. Pitts, John L. Scales, Sr., and B. C. Taylor. We recommend the election of the following new members of the Board of Trustees, to serve until 1949: J. Henry Bowdon, Justin R. Querbes, and Henry S. Weisman; to serve until 1948: M. A. Abernathy and J. Theron Brown; to serve until 1947: J. C. Hamilton.

3. We recommend the continued cooperation of the Conference with the college in the Greater Centenary College Program.

BOARD OF EDUCATION—REPORT 2

Your Board of Education submits the following summary of Christian education activities for the Conference year.

Through the enlarged services of our educational office 73 pastors and laymen were prepared as instructors in local Churches to promote the evangelistic phase of the Crusade for Christ. This was a significant achievement for our Conference in leadership education, and resulted in our Executive Secretary being invited to the Stewardship Conference in Chicago last February. The Executive Secretary and his office force cooperated in all rallies and in the schools of visitation evangelism. In preparation for the year of Stewardship our educational office took the lead in setting up a Conference-wide Stewardship Coaching Conference at Camp Brewer, where 155 pastors, laymen and women were prepared to teach stewardship courses in the local Churches.

Another cooperative step was taken when the W. S. C. S. secured a full-time rural worker for the Louisiana Conference and the services of our educational office were placed at her disposal.

Progress in children's work is indicated by the report of 165 Vacation Church Schools held, reaching 8,630 children, an increase of approximately 35% over that of last year. A Conference-wide workers institute, two laboratory schools and 26 vacation school institutes were conducted by the efficient secretary of Children's Work, Mrs. Roy Scales.

Our youth program showed considerable progress. Eight Intermediate camps were held with a total attendance of 596. Six Senior-Young People's camps were held with an attendance of 822. Two State-wide youth assemblies were held at Camp Brewer, reaching 188 of our choice youth leaders. From these camps 26 full-time Christian service volunteers were enlisted. The Conference Youth Council promoted a Youth Rally in every district to reach a total of 3,000 Methodist Youth.

Your Conference Board is pleased to announce the return of Camp Brewer to full operation for the Methodist Church with considerable improvement of grounds and equipment.

Our student work is entering a new era of growth and opportunity and on the campus of every State college we have an efficient full-time Methodist student worker. We recommend that the Annual Conference adopt the "five dollar plan" for student work. This plan provides that each local Church raise five dollars annually per college student and send to the Wesley Foundation of the colleges where its students are enrolled. Each Wesley Foundation is charged with the responsibility for initiating the plan.

In Leadership education, in addition to the Stewardship and

Evangelism coaching conferences, seven Bible conferences were held, 25 training schools issued 638 credits, and the Pastor's School enrolled 178.

In closing we wish to commend our Executive Secretary, Rev. Earl B. Emmerich, and his efficient staff, for their vigorous and skillful promotion of the many phases of our great Methodist Crusade for Christ.

THE BOARD OF EVANGELISM

Evangelism, the main business of our church, ties into every phase of the church activity and claims a part of every church program.

We rejoice in the victories won this year in the Crusade for Christ, and look forward to further victories before the end of this calendar year.

We urge that the evangelistic effort be continued, and that none consider our task in any way complete because of the closing of this year of evangelism, nor should we think of it as separate from the other emphases of the Crusade for Christ.

We recommend a continuation of Visitation Evangelism, the holding of revivals, training schools, and institutes in every church.

We recommend that each district Superintendent nominate a district secretary of evangelism.

We further recommend the appointment of Rev. R. H. Staples as conference secretary of evangelism and the appointment of Rev. H. E. Pfost as conference evangelist.

HOSPITALS AND HOMES—No. 2

We have had before us the Report of the President of the Board of Directors and also the report of the Superintendent of the Louisiana Methodist Orphanage. We are grateful for the fine reports and the effective work being done by Reverend C. B. White and his efficient staff of workers.

The Report of the President of the Board of Directors is herewith submitted, as follows:

We your Conference Board of Hospitals and Homes, concur with the Board of Directors in the nominations recommended, and move that they be approved. To reelect the following members to the Board of Directors of the Louisiana Methodist Orphanage: J. C. Ritchie, B. H. Rainwater, Ben R. Downing, R. W. Vaughan.

We request the Bishop to reappoint Rev. C. B. White as Superintendent of the Orphanage, and Rev. R. W. Vaughan, Superintendent-Emeritus.

We request the Conference to set aside the usual Orphanage Days: Easter Sunday in the Spring, and Harvest Day in the Fall, the second Sunday in October.

HOSPITALS AND HOMES—No. 3

We have had before us reports from both our full-time and our part-time hospital chaplains. These reports show that during the year these Chaplains have led 39 hospital patients into a profession of faith, received into the Church on profession of faith 21, baptized 13, and received by transfer of membership three. 190 patients were led into a rededication of their lives. In the course of the year, our Chaplains distributed 2266 Upper Rooms, 965 Christian Advocates, 806 Sunday School Lessons, 4108 New Orleans Christian Advocates and 1511 Testaments. They wrote 87 letters, and 1042 cards, and made 626 phone calls for patients. They gave 89 hair-combs, 664 bathclothes, 29 pairs of crutches, and furnished clothing for 10 men, one woman, and 143 babies. They gave financial assistance to 190 patients amounting to \$367.00, that amount being given chiefly from their own salary. We wish to commend these men for their fine work.

We continue to urge the districts who have full-time chaplains to provide homes for these chaplains to live in. We urge that we continue to work toward the goal of a full-time Chaplain for every district where hospital conditions demand it.

We again request local pastors to present the Golden Cross to their local churches whether the money raised for Golden Cross is to be raised through special offerings or to be placed in the Church budget, explaining to the people that in the Louisiana Annual Con-

ference Golden Cross money is used as a Hospital Chaplains Fund to provide chaplains for hospitals which the Methodist Church should serve in Louisiana.

It is very important that each District have a Golden Cross Director and that he be recognized as a member of the District Conference and be given a place on the District Conference program to present the cause of the Golden Cross.

According to the law of our Church, each District is expected to have a Golden Cross Committee, one member of which shall serve as Golden Cross Director-Treasurer. It is important that the names of these District Directors be sent to the Conference Golden Cross Treasurer, Miss Mollye Stewart, Pollock, Louisiana, immediately following the Annual Conference. All Golden Cross money is to be sent to the District Golden Cross Director in the respective districts. The district treasurers are in turn to send annually a report of these collections with a check for 3 per cent of the amount collected, to the Conference Golden Cross Treasurer not later than two weeks before the meeting of the Annual Conference. It is understood that the Conference Board will in turn send 1 per cent of the collections to the General Board and the remaining 2 per cent will be retained by the Conference Board for promotional work.

That each Church observe the Sunday designated by our General Board as Golden Cross Sunday, or a date as near thereto as possible, promoting work of our Hospital Chaplains supported through our Golden Cross funds.

We urge each local pastor to secure from the General Board of Hospitals and Homes, 740 Rush Street, Chicago, immediately, a sufficient supply of the pamphlets and materials to be used for promotion of this work for the coming year.

Respectfully submitted,

JAS. B. GRAMBLING, Chairman,
JAMES W. AILOR, Secretary.

ANNUAL REPORT BOARD OF DIRECTORS LOUISIANA METHODIST ORPHANAGE

This year has been a very fine one for the Orphanage. Our people continue to be generous in their giving, so that we have been able to take care of our needs in spite of the tremendous advance in food and clothing costs. The Board of Directors takes this opportunity of thanking our people for their generosity.

We have continued to make improvements, but have not been able to proceed with our new building program. At the close of the year we had approximately \$85,000.00 in the new building fund, of which \$51,000.00 was designated for the new girls' dormitory,

contract for which was let last year. However, the Building Committee agreed with the contractor that building should be postponed for the present. We hope to construct this building during the year.

Attached hereto is a copy of the Superintendent's Annual Report and a copy of the Treasurer's Report, which gives a general picture of our operation for the year.

We wish to commend Rev. C. B. White, Superintendent, for the very fine way he operates the Home.

The Board of Directors requests the Conference to reelect the following members to the Board of Directors of the Louisiana Methodist Orphanage: J. C. Ritchie, B. H. Rainwater, Ben R. Downing, R. W. Vaughan.

We request the Bishop to reappoint Rev. C. B. White as Superintendent of the Orphanage, and Rev. R. W. Vaughan, Superintendent-Emeritus.

We request the Conference to set aside the usual Orphanage Days: Easter, Sunday in the Spring, and Harvest Day in the Fall, the second Sunday in October.

FLOYD B. JAMES, President

ANNUAL REPORT SUPERINTENDENT—ORPHANAGE

From October 1, 1945 to October 1, 1946

To: Mr. Floyd B. James, President, and member of the Board of Directors of the Louisiana Methodist Orphanage, in regular session, Tuesday, October 29, 1946, Ruston, Louisiana.

I am submitting to you my ninth annual report as superintendent of this great institution, which covers the period of our fiscal year, from October 1, 1945, to October 1, 1946.

We have had a splendid year. There has been no serious illness nor epidemics among our children. We have had 152 children in the Home during the year, having received 33 new children and permitted 30 to leave. The present enrollment is 122. The capacity of the Home is 120, but we do have as many as 125 at times. There are many needy and homeless children knocking at our doors, and the demands upon us are increasing constantly.

This has been a very costly year, for the increase in maintenance operation is much greater than any previous year. However, we have been blessed with a wonderful response from our people throughout our Church, which has enabled us to carry on without financial embarrassment. Much repair work has been done and some new equipment has been purchased. The entire place is in a good state of repair and the physical condition of our buildings is good.

I am sure we will be able to place at least \$10,000.00 in the Emergency Fund at this time, for we have a reserve in the general fund.

The fall offerings of feed, produce and groceries have not been coming to us for several years. This is due to crop shortages and poor transportation. This has cut off a source of help and has increased our cost of living considerably. We have been blessed with good gardens and an ample supply of milk and butter.

The educational opportunities offered our children are above the average, and we are proud of the manner in which our group takes advantage of these opportunities. At present we have six in college in Louisiana Tech, thirty-six in Ruston High School, seven in the Eastland Grammar School in the seventh grade, and in our Home school through the sixth grade. Hundreds of our children have gone out into life well prepared to take useful places as citizens. Our children get along well in every way. They appreciate the many advantages and opportunities offered them. All our children have monthly allowances and provision is made for them in all those things of life that will help them to fit into the company and society of others.

We have a splendid Home for homeless children, and we are thankful indeed to our Heavenly Father for his tender care over us, and for the many blessings he has sent upon us.

Our financial condition is shown in the following report:

BOARD OF LAY ACTIVITIES

Your Conference Board of Lay Activities comes to you with a program for the laymen of our church, worked out by the General Board of Lay Activities and adapted to present-day local and world-wide conditions and needs that challenge the deep concern, loyalty, and cooperation of the laity and ministry.

We are encouraged by the almost universal interest of pastors in the Lay program, and the growing practice of developing and using laymen for service in their own local churches; yet there is still great need for definite training and inspiring of the Board of Stewards, who constitute the local Board of Lay Activities, and who should be better informed and inspired with reference to the total program of the church and its value, and with their responsibility in its application in the local church.

STEWARDSHIP IN THE CRUSADE

Methodism is now moving into the fourth phase of The Crusade for Christ, that of Christian Stewardship. This means that the Board of Lay Activities must take a position of responsibility and leadership. Christian Stewardship brings a sense of responsibility for the Christian well-being of the whole world. Methodist laymen are able to assume this type of service and with courage and devotion should undertake it.

CERTAIN DEFINITE OBJECTIVES

These objectives are hereby proposed as indicating the types of activities necessary to the achievement of the goals of Christian Stewardship. By these the work of the Kingdom may be done.

1. A 50% increase in regular church attendance in each church.
2. A 50% increase in the number of active workers in each church
3. An increase of 50% in the number of regular contributors to the financial program of each church.

4. The enlistment of church-members in a program of proportionate giving.

5. To secure recruits for the ministry and other types of life service in all the churches.

6. A genuine plan for Evangelism in every church. We call upon the laity to pray, not only for the spread of the power of Christ throughout the world in its influence on men and nations, but that the fruits of Evangelism in our own Methodism may be manifest far in excess of the minimum aims set by the General Conference for the Crusade for Christ.

LAYMEN'S DAY

Laymen's Day has been recognized throughout the church as a valuable agency for strengthening the spiritual leadership among the laity, and a wise expression of the cooperative spirit of the ministry in a larger use of a trained laity for more responsible service. The General Conference has recognized this and has fixed the fourth Sunday in February of each year as Laymen's Day. The subject for 1947 is Christian Stewardship and we solicit the cooperation of all our pastors in the selection of lay speakers for every preaching place in our Conference. A letter will be sent out from the General Board of Lay Activities to every pastor and District Superintendent regarding the observance of this day. Please do not overlook it. If this important service is to be what the General Conference and Board of Lay Activities intend it cannot be treated with indifference, for it should give out an evangelistic note, and it is the responsibility of the pastors with the cooperation of the Church Lay Leader to promote it with concern and not merely to see that it is held.

METHODIST MEN

We need a more definite campaign to the end that we can have more "Methodist Men" organizations in our Conference and that our men may develop in knowledge of the Bible and in all Christian service.

THE METHODIST LAYMAN

The official organ of the Lay Board is "The Methodist Layman". No Methodist layman can well afford to be without this fine monthly magazine, ably edited and attractive in its make-up, and in which we will always find very strong messages from our leaders in Methodism.

BOARD RETREAT SESSION

We did not have a retreat in 1946 but we recommend that we plan for one early in 1947, that we may obtain a spiritual blessing in our plans to carry out the Stewardship program as outlined.

CENTENARY COLLEGE CAMPAIGN

We wish to go on record as supporting to the fullest, the drive for a greater Centenary College.

We are fortunate in having with us at this Conference, Mr. Ray H. Nichols, the President of our General Board, whose messages, we are sure, will be an inspiration to all of us.

NOMINATIONS

We nominate Judge E. L. Walker for Conference Lay Leader.

The foregoing statements are intended to be representative rather than conclusive. Each District and each charge should seek to develop the proper application of the challenge, now facing the laymen of Methodism to do a great job as Stewards of Christ.

S. M. McReynolds, Chairman
Rodney Cline
H. M. Johnson.

REPORT OF LOUISIANA ANNUAL CONFERENCE, INC.

The only change in our investments during the year has been the liquidation of the Gravier Properties, Inc. We have received the sum of \$1,456.38 on the principal, plus interest of \$449.46 from 1936 until the date of sale. This transaction takes this property off our list of assets.

Our present investments include \$7,000 Standard Club of Atlanta, Ga., $4\frac{1}{2}\%$ bond, and \$1,400 Cities Service, 5% bond. We have remaining \$999.56 on the Stoval Properties, Inc., which of course is bearing no interest and is only listed on our assets as a matter of record.

We have remitted all items on the Principal account to the Board of Pensions, Missouri Corporation, according to the action of the Conference concerning the disposition of Principal funds in our hands.

J. Henry Bowdon, Chairman

BOARD OF MISSIONS AND CHURCH EXTENSION

To the Louisiana Annual Conference, 1946 session, the Conference Board of Missions and Church Extension submits the following report:

1. This Board recommends the appointment of a District

Board of Missions in every District in the Conference and that this be done immediately to take care of projects now being proposed.

2. We wish to go on record as pledging ourselves completely to the Stewardship phase of the Crusade for Christ and it is the intention of this Board to do everything in its power to aid in the recruiting of the 5,000 young men for the ministry and 5,000 young men and women for other full-time religious service in The Methodist Church.

3. Because the Board has so many more requests than funds available, beginning in 1947 all applications for assistance from the Board of Missions will be made on an official form to be supplied by the Board on which will be stated regulations which govern the Board in granting any request.

4. The treasurer's report is hereto attached as is submitted without reading at this time, if there are no objections.

SECRETARY OF MISSIONS

"Awake, Awake to love and work

The lark is in the sky!"

It is my firm conviction that the Board of Missions and Church Extension has a golden opportunity to further its work and extend the Kingdom of God this year.

It was reported by the Commission on World Service and Finance that the Board of Missions and Church Extension would be allotted the sum of about \$14,400 for missionary appropriation and church extension. At the same time the Board was confronted with an asking of \$36,500 from the District Superintendents. This indicates the great work that is now to be done and the opportunity that is before us.

In a report made by the Rev. James Whitaker, a Board member, it was pointed out that out of a total of 442 Methodist Churches in Louisiana, according to the 1945 Annual, 167 churches did not receive a single member by profession of faith or from preparatory membership, 28 churches did not contribute to World Service, 80 churches had no church school, and 18 charges did not pay their pastor's salary in full.

It is also true that only 1270 of our churches supported all three special days designated by the Methodist Discipline. These special days are: Race Relation Sunday, Methodist Student Day, and Church School Rally Day.

Most of these statistics touch the rural church, and the Board is conscious of the fact that much of our work needs to be done in the rural area. In seeking to get more information, instruction, and inspiration, your Board is sending the Conference Missionary Secretary and one rural pastor to the National Rural Life Conference to be held at Lincoln, Nebraska, on July 29, 30, 31, to enable it to better minister to our rural areas.

With our District Missionary Institutes, Visual Education, School on Missions, Sub-District Missionary Institutes, and missionary emphasis at camps and assemblies, your Board will be seeking to further the missionary emphasis and spreading the word of God throughout this Conference.

Conference Missionary Secretary

W. L. DUREN, Editor

IN APPRECIATION OF DR. W. L. DUREN

When a man has completed with eminent success a difficult task to which he has been assigned, it is fitting that due notice be taken thereof and proper recognition awarded. So, at this time we express to Dr. W. L. Duren, who is retiring from the editorship of the New Orleans Christian Advocate at this session of the Annual Conference, our deep appreciation of the distinguished service he has rendered the church in this difficult and responsible position.

Methodism, as is well known, has made large use of the printing press from its very beginning. Its periodical literature has been a mighty cohesive force in promoting its evangelistic mission and preserving its connectional spirit. So vital, indeed, is the printed page to the work of Methodism, that the church itself has developed one of the great publishing houses of America. It will be a sad day for Methodism when Methodist preachers cease reading—and writing—good books, and when Methodist people cease reading its periodical literature.

It is no easy task to edit a church paper, opinions to the contrary notwithstanding. A good editor does his own thinking; but he has no right to make his paper the organ merely of his personal opinions. When a church official forgets or ignores the obligations of denominational loyalty, he forfeits his right to official position. Constructive criticism, in the right spirit at the right time, is always permissible, and often necessary. Destructive criticism is never the mark of clear thinking or progressive leadership. The primary function of an official denominational religious newspaper is to promote the interests of the kingdom of God through the agency of its own church as one, though only one, of the forces of that kingdom. There is a vast difference between denominational loyalty and sectarian bigotry.

The New Orleans Christian Advocate, now nearly a hundred years old, has a notable record of service to the church and the kingdom of God. With the exception of the period of the Civil War, its files are unbroken. Its pages present a fair picture of the history of Methodism in these parts for the past century—its evangelistic fervor, its educational program, its building achievements, its controversial struggles, its distinguished personalities, its emergence into the thrilling, but sobering, era of a reunited church. Whatever the future may hold for it, the paper has a proud past.

In a succession of editors from which five men were elected to the episcopacy, Dr. Duren is one of the noblest. He has achieved distinction before he came to the Advocate, as a pastor, as a presiding elder, and as an author. His record as editor of the New Orleans Christian Advocate is the crowning achievement of a distinguished career.

His qualifications for the editorship are such as would have gained him eminence on the tripod of any periodical in the connection. He is a clear thinker, instantly distinguishing the fundamental from the accidental. He has an analytical power of mind that has always saved him from one-sidedness in his discussion of a subject. He has a passion for accuracy that always makes him sure of his facts before he undertakes to maintain a position. His editorial policy was unfailingly one of fairness to all sides of a matter at issue. He is a forceful and fluent writer, whose literary talents run all the way from the sprightly "Wallet of the Week" to profound dissertations on matters theological and philosophical. He is a keen analyst of the tendencies of the times, and he has given his readers sure guidance along the safe ways of life. He is a prodigious worker—which fact, to some of us, marks him as a man of unusual gifts. And with it all, he is an astute man of business, who probably could have made a million dollars if he had turned his talents to the fields of industry and commerce. The world is richer, though, for his not having done so.

So we express our appreciation to Dr. Duren for what he has

done for us and for the church at large through his editorship of the New Orleans Christian Advocate. As he retires from this field of labor in which he has rendered such distinguished service, we say, "God bless you and yours, now and always."

COMMITTEE ON THE FUTURE OF THE NEW ORLEANS CHRISTIAN ADVOCATE

REPORT No. 1

The Committee to study the future of the New Orleans Christian Advocate has been unable to arrive at a workable plan for the continuation of a Conference Organ. We believe, however, that some plan may be devised whereby such a publication will be possible.

We therefore recommend that the Publishing Committee of the Conference Organ be named to continue to study the possibilities for such a paper and that they be given the authority to take such action as may be necessary to secure this proposal.

SEASHORE CAMP GROUND

Whereas the "Million for the Master" campaign in Mississippi includes an item of \$52,000 for capital improvements of the Seashore Camp Ground jointly owned by the Louisiana, Mississippi, and Alabama Annual Conference a campaign in the launching of which the Louisiana Conference was not consulted.

And whereas it is now being suggested that the Louisiana and Alabama Conference inaugurate a special effort campaign to match the gifts of the Mississippi Conference, or that they recognize their increased equity in the said Seashore Camp Ground.

Therefore, be it resolved by the Louisiana Conference at Alexandria, Louisiana on November 14, 1946, that, while we are willing, at an opportune time, to offer our people a chance to share in the improvement of the said properties, we cannot accept the suggestion of a change in the equity which we have under the Charter.

Resolved second, that we respectfully call attention to the fact that the Mississippi Conference profits more than any other in the use of the properties and would, therefore, be the chief beneficiary of the contemplated improvements.

Resolved finally, that we place ourselves on record, in advance of the outlay of the money now being raised by the Mississippi Conference, as being opposed to any change in our equities under the terms of the Seashore Camp Ground Charter and that we take this action now that the Mississippi Conference may be fully advised as to our position on that subject.

W. L. Duren.

BOARD OF TEMPERANCE

We deplore the apparent lack of knowledge, and the lack of moral conviction on the part of so many of our citizens supporting the constitutional provisions and moral law, with reference to the traffic and use of alcoholic beverages, gambling in so many forms, degrading amusements, the buying and reading of salacious literature; with the consequent degradation of the morals of our people, and the neutralizing of the power of Christian teachings in our homes and churches.

We believe that it is high time for Louisiana Methodist leaders to accept the Christian Stewardship, yea a priority in the Crusade

for Christ, in the lifting a common voice of prophetic warning, charged with all the powers of Christian conviction and courage, against these powerful and entrenched evils.

In order that we may awaken and organize the common convictions and energies of 80,000 Louisiana Methodists against these evils; and bring to bear immediate, continued and courageous action, we suggest the following program for 1947:

1. Institutes, or seminars in each District of the Conference, following Easter; with forceful speakers, discussion and definite plans for action. Such institutes or seminars to be held in cooperation with the State Organization of the Woman's Society of Christian Service.

2. We wish to designate the third Sunday, January 1947, as Temperance Sunday, at which time we urge every Methodist minister in Louisiana to deliver the most forceful sermon possible against these degrading evils.

3. And, where an offering for the Louisiana Moral and Civic Foundation is not in the budget of the local church, that a special offering be taken.

4. We recommend that courses of study and the widest possible use of available literature be used in every daily vacation school, young people's assemblies and camps, Women's Conferences and District institutes, pastor's school, and in the regular church school lessons.

5. That we give financial assistance to a few capable persons who will attend the Chicago or Union schools on the evils of alcohol and narcotics. And that honorariums be offered to bring outstanding national speakers for platform lectures before our State Methodist gatherings.

6. We wish to commend the Rev. A. C. Lawton, director of the Louisiana Moral and Civic Foundation, for his work in our State, and for the able assistance he has given to so many of our churches. We urge all our pastors to open the doors of their churches for schools and lectures under Rev. Mr. Lawton's direction.

7. That we join Louisiana Protestant Churches in requesting Governor James Davis to issue a proclamation, as he did last year, making January 19, 1947, Louisiana Temperance Sunday.

8. We recommend that Rev. A. C. Lawton be continued in his appointment as Director of the Louisiana Moral and Civic Foundation.

W. H. GILES, Chairman

CONFERENCE BOARD OF TRUSTEES—REPORT No. 1

We recommend the appointment of E. C. Gunn, Robt. J. O'Neal and E. L. Walker as members of this Board for the term expiring in 1949, vice themselves, term expired.

We recommend the sale of 20 acres of land located in W $\frac{1}{2}$ of NE $\frac{1}{4}$, Sec. 34, Twp. 15 N. R. 2 E., for \$5.00 per acre; said lands being cut over pine land formerly owned by the Methodist Protestant Church.

We recommend the sale of one acre of ground and improvements formerly belonging to the Trout and Goodpine Charge for a sum of not less than \$3,000.00.

We further recommend the sale of certain property in Winnfield, Louisiana, to the Board of Trustees of the Winnfield Methodist Church, said property formerly belonging to the Methodist Protestant Church and already sold for \$50.00, and this to perfect title.

AUDITOR—BOOKS CONFERENCE TREASURER

Dr. A. M. Serex, Chairman,
Commission on World Service and Finance,
Monroe, Louisiana.

Dear Doctor:

Pursuant to your request, we have made a cash audit of the receipts and disbursements of the Louisiana Annual Conference of the Methodist Church, Ruston, Louisiana for the year 1944-45, from the books of your Conference Treasurer, Dr. Robert W. Vaughan.

Duplicate receipts have been issued for all moneys received by the Conference for the year beginning November 24, 1944 and ending November 26, 1945. We checked each duplicate receipt for the fiscal year mentioned above into the cash book, thence into the depository and found these collections properly accounted for.

All disbursements have been made by check. Verification was made of these items by the examination of each check as to number, amount, and endorsement, as well as to the purpose which it was drawn.

Reconcilement of Cash in Bank and as shown by the books was made with a statement from your depository, First National Bank, Ruston, Louisiana.

Verification of the analyses of the receipts and disbursements by departments and funds was not made by us for the reason as stated in our prior year's report—we did not think the additional audit expense in this connection would warrant it.

We submit hereunder a concise summary of receipts and disbursements as compiled from the annual report of Dr. Vaughan, after adjustment of small errors made in that report.

Again, as in our former reports, we wish to call your attention to the efficient manner in which your books and records have been kept for the current year by your Treasurer, Dr. Vaughan. We appreciate very much the cooperation given us by him during the course of our examination.

WE HEREBY CERTIFY that we have made a cash audit of the books, accounts and records of the treasurer of the Louisiana Conference of the Methodist Church, Ruston, Louisiana for the period beginning November 24, 1944 and ending November 26, 1945; and find that all receipts shown by the books have been deposited in your depository, First National Bank, Ruston, Louisiana, and that all disbursements, having been made by check and drawn on that institution, have been properly made; and that the cash on hand in that bank to your credit on November 26, 1945 amounted to \$9,546.78.

Your Commission recommends that the percentage for the payment of the District Superintendents be set at 10% of the cash salaries of the pastors. The percentage for the payment of the Conference Claimants is an amount equal to 10% of the cash salaries of the pastors. The percentage for the Episcopal Fund is an amount equal to 1 $\frac{3}{4}$ % of the cash salaries of the pastors.

WORLD SERVICE AND FINANCE—No. 2

We, your Commission on World Service and Finance, recommend that next year the Louisiana Annual Conference create a fund to be known as the "Annual Conference Administration Fund."

We recommend this because the administrative items have been increasing in the last few years, which include such items as the Conference Treasurer's salary and expenses, the printing of the Conference Journal, the care and maintenance of Camp Brewer, and other purely administrative matters. As it is now, the cost of administration is paid out of our Conference Benevolences before the various Board and Commissions are able to receive their percentages.

JACK H. MIDYETT, Secretary.

W. W. HOLMES

1875-1946

Cristes lore, and his Apostles twelve,
He taughte, but first he folwed it himselve.
—Chaucer.

When announcement was made over the radio on Sunday morning, May 26, 1946, that Dr. W. W. Holmes had passed away in his sleep in the early hours of that morning, Louisiana Methodism was profoundly shocked and saddened, and the whole Church sorrowed over the loss of one of its leaders. We pay affectionate tribute to his memory today.

William Walter Holmes was born at Kipling, Mississippi, on June 20, 1875, the son of John Henry Holmes and Fannie Rae Holmes. Of that family, three brothers and two sisters survive him: E. M. Holmes, Holly Ridge, Miss., O. W. Holmes, Leland, Miss., Henry Holmes, De Kalb, Miss., Mrs. J. M. McWilliams, De Kalb, Miss., and Mrs. J. E. Lake, Shuqualak, Miss.

Dr. Holmes was educated at Millsaps College, where he received the A. B. degree in 1900, and at Vanderbilt University, where he

received the B. D. degree in 1903. The honorary degree of Doctor of Divinity was conferred upon him by Centenary College in 1923.

Dr. Holmes was converted in his early youth in a meeting at the New Hope Camp Ground, near De Kalb, Mississippi. The preacher in the meeting was Rev. T. L. Mellen, but it was Rev. J. W. Dawson who was directly instrumental in leading him to give his life to Christ. He joined the Pleasant Ridge church in September, 1891, and was licensed to exhort by the quarterly conference of that church on August 19, 1893, Rev. T. L. Mellen being the presiding elder, and Rev. R. Breeland being pastor. The fact that he was licensed to exhort gave him a unique distinction—there are very few official exhorters nowadays. He was licensed to preach by the Meridian District Conference, meeting in Meridian, Mississippi, on August 28, 1896. Rev. R. G. Jones was the presiding elder, and L. P. Brown, a distinguished layman of Meridian, was the secretary. He was ordained a deacon by Bishop Charles B. Galloway in 1901. He was admitted on trial in the Louisiana Conference, meeting at Minden, on December 22, 1903. He was ordained an elder by Bishop Seth Ward on December 8, 1907, at the Conference in Ruston.

During his ministry Dr. Holmes had the following appointments: Carrollton Avenue; Louisiana Avenue; Felicity; First Church, Monroe (assistant pastor); First Church, New Orleans (assistant pastor); Ruston; presiding elder, New Orleans District; Lake Charles; Noel Memorial; presiding elder, Shreveport District; Alexandria; Rayne Memorial; district superintendent, New Orleans District.

Dr. Holmes was elected a delegate to the General Conference of 1922; and he was a member of every succeeding General Conference, including the Uniting Conference of 1939 and the Jurisdictional Conference, till his death.

He was married on December 19, 1907, to Miss May Stone, of New Orleans, whose family were prominent in the business and civic life of the city. Whether "marriages are made in Heaven" or not, this marriage certainly had the blessings of Heaven upon it. To this marriage were born three children: Mrs. James Theron Brown, Baton Rouge; Commander Samstone Holmes, U. S. N.; William Walter Holmes, Jr., Baton Rouge. There are six grandchildren, as follows: Beverly Holmes Brown, Margaret Helen Brown; David Hendrix Holmes, Margaret May Holmes; William Walter Holmes III, James Colomb Holmes.

Funeral services were held at Rayne Memorial Church on Monday, May 27, with Dr. H. L. Johns, pastor, presiding. Many of the deceased's ministerial brethren were present, as well as many ministers of other churches. The address was delivered by Bishop Paul E. Martin. Interment followed in Hope Mausoleum, New Orleans.

As interesting as biographical data are in themselves, they do not give us the full picture of a man's life or a complete account of his achievements. Only by a study of the man himself can we even partially evaluate his character and his power.

Dr. Holmes was, above all else, a minister of the gospel. There were no side-issues in his life, no divided interests. While he was a stranger to nothing that men generally are interested in, he concentrated his talents and his energies upon the one task of making religion a reality in the lives of those whom he was appointed to serve. He took pains to be a workman that needed not to be ashamed.

He did not claim to be a scholar—very few men are scholars; but he was a student. He had built up an unusually fine library—one of the best in the Conference. It was especially rich in books of biography, devotion, and practical theory. Some men have many books, but make very little use of them; Dr. Holmes made use of his.

One of the outstanding characteristics of Dr. Holmes was his friendliness—not assumed, but genuine. It was this characteristic that made him, both at Millsaps and at Vanderbilt, one of the most popular students of his day. This is one reason why so many people affectionately called him "Billy."

He was especially the friend of young preachers. Many a member of this Conference recalls with deep appreciation a kindly word, a bit of encouragement, a helpful suggestion from Dr. Holmes that made the way seem brighter and that started a song in his heart.

As a preacher, Dr. Holmes was acceptable in any pulpit in the church. He served some of the great pastorates of this Conference with a remarkable degree of success. As is well known, he was at Rayne Memorial for ten years—and that record speaks for itself. His preaching was simple, direct, inspiring, thought-provoking, uplifting.

Dr. Holmes was preeminently a pastor. In this respect he deserves to be ranked with the great pastors of Methodism—for example, with the sainted Dr. John B. Mathews, the sainted Dr. Felix R. Hill, Sr., both of whom, by the way, served in the Louisiana Conference. He quickly and completely won the hearts and entered into the lives of his parishioners. He had the happy faculty of being in the right place at the right time. The memory of his visits and the influence of them remained in the home long after they were made. He demonstrated very thoroughly that it is not the number of pastoral calls a preacher makes that count; it is the kind.

Dr. Holmes had executive ability of a high order, as is indicated by various phases of his ministry. At the time of his death he was district superintendent of the New Orleans District. He had

previously served as presiding elder of the same district, as well as presiding elder of the Shreveport District. He was a member of the board of trustees of Centenary College and of Dillard University. He served on almost innumerable boards and committees of the Conference, and was for many years chairman of the Conference Board of Education. His judgment was sound, and his advice was often sought and relied upon.

No memoir of Dr. Holmes would be complete without mention of his outstanding work in the fight against gambling and other forms of vice in the city of New Orleans. As chairman of the social betterment committee of the New Orleans Ministerial Union, he led that fight valiantly and, in many respects, victoriously. The esteem in which he was held in the city in which he had spent twenty-seven years of his ministry is expressed in an editorial in the New Orleans States of May 27: "From the day he entered the pulpit in Louisiana in 1903 on down through the years, Dr. Holmes' stature increased as he applied biblical precepts to every-day life. Not only New Orleans but all of Louisiana is better for his having lived." When informed of his death, Mayor Morrison said: "I frequently sought his counsel and advise, which I valued and respected. * * * I respected Dr. Holmes' viewpoint * * * and I am deeply regretful that the city will no longer have the benefit of his able, honest and fearless counsel." The Times-Picayune said:° "The community has lost one of its outstanding citizens and civic leaders." The opinion is held by many that the energy he put into this fight against vice in New Orleans hastened his death.

An interesting thing appears in connection with the ministry of Dr. Holmes. It is often said that city churches depend to a large extent for their success upon the membership, leadership, and money that flow into them from the country churches. The interesting thing about Dr. Holmes is that although born and reared in a rural community (Kipling, Kemper county, Mississippi, is no metropolitan center), he never served a country church as pastor. All his work was in cities, more than half of it in the largest city in the South. This fact leads to the comment that nature is pretty much the same, wherever it is found. He was so much a man himself—a Christian man—that he could reach people anywhere. An appeal that has in it the elements of universality is bound to meet a universal response.

We do not enter into his home life more than to say that it was a beautiful example of what a Christian home ought to be. It is as much a tribute to Dr. Holmes as it is to Mrs. Holmes to say that his ministry could not have been what it was without her min-

istry alongside of his. His children and his grandchildren were the joy of his life—and they rise up to call him blessed.

Time and space for this formal memoir have run out; but written on our hearts in lucent letters of love is the imperishable record of our departed friend—who also was a friend of God.

H. T. CARLEY

ARTHUR MADISON SHAW

1875-1946

With a hearty salute to his vigorous personality, his stalwart character, and his effective service, with blessings upon his memory, we here record some of the things that marked Arthur Madison Shaw as earth's and ours for a bright galaxy of years.

He was born in White County, Arkansas, January 21, 1875, son of Reverend Flavius J. Shaw and Jane Hogue Shaw. On January 22, 1895, one day after his twentieth birthday, at Tyro, Arkansas, he was married to Miss Oregon Collins. To them were born the following children, all of whom, with the mother, survive him: Dr. A. M. Shaw, Jr., of the faculty of Centenary College, Shreveport; Edwin Shaw, Little Rock, Arkansas; Edward W. Shaw, Monroe, La.; Reverend Joe C. Shaw of Houston, Texas; and Mrs. D. A. Goodson, Longview, Texas.

If ever a man has been predestined to the Methodist ministry and foreordained thereto surely Dr. Shaw was. He seemed hedged in by providence, family, and environment. There was no escape for him. His grandfather, father, four uncles, an only brother, a cousin and a son, were all Methodist preachers. Coupled with all this was his own imperial choice that completed the picture sketched by his impressive background.

How well he fulfilled that ministry is eloquently attested by the list of his appointments and the many people whom he touched with the Eternal Gospel.

On October 13, 1894, at nineteen years of age, he was licensed to preach at the quarterly conference session at the Reeves' School House, Gold Creek Mission. For two years he was a local preacher, thus beginning where a vast group of Methodist preachers have begun.

Here is the detailed record of his intinerancy: In 1896 he was admitted to the Little Rock Conference which met at Camden, and was assigned to Murfreesborough; 1897, Oma Circuit; 1898, Hatton

Circuit; 1899, Jansen; 1900, Cariola and Lake Village; 1901, Arkansas City; 1902-3, Crossett

At the end of this pastorate he was transferred to the Pacific Conference, where, in 1904, he served Oakland, California; 1905, Bakersfield, California. Completing this period in California he returned to the Little Rock Conference.

In 1906 his appointment was Bearden and Thornton; 1907, Bearden Circuit; 1908-9, Warren Station; 1910-11, Prescott; 1912, Dermott and Portland; 1913, Fordyce; 1914-15, Arkansas City and Lake Village; 1916, Dewitt; 1917-18, Stuttgart.

He then turned south, transferring to the Louisiana Conference in 1919. Here he filled the following appointments: 1917-20, Trout and Goodpine; 1921-24 Oakdale; 1925, Hospital Commissioner for one year; 1926-27, Mooringsport; 1928-29, Ferriday; 1930-32, Vinton; 1933, Oak Grove; 1934-36, Belcher and Gilliam; 1937-38, Elizabeth.

At the 1939 session of the Louisiana Conference at Ruston superannuate was written after his name. Thus ended his long and active ministry. With Mrs. Shaw he returned to Oakdale, where, among many friends and rich memories of a happy pastorate, he spent the balance of his days.

On February 12, 1946, from a hospital in Little Rock he ascended from the moral and spiritual battle fields of time and place, having received his appointment from the Shepherd and Bishop of our souls. The funeral services conducted by the pastor, Reverend J. C. Sensintaffar, assisted by Reverend R. R. Branton, District Superintendent, and Dr. B. C. Taylor, pastor of First Church, Alexandria, were held at Oakdale in the church, which during his ministry there almost a quarter of a century before, he had built. Burial was in the Oakdale cemetery.

Though denied the privilege of college and university education, for which by nature and acquired habits of study he was eminently fitted, Dr. Shaw was a student and scholar. He did not allow this handicap to lock the door to the kingdom of books and learning. Like Wordsworth's "Happy Warrior," he turned his necessity to glorious gain, and in doing so escaped the pitfall of self-satisfaction which sometimes marks the formal scholar whose education seems to stop with his formal schooling. He kept an eager, alert and growing mind. The language, logic and content of his sermons bore testimony to his scholarship. The fruit of his pen found liberal space and welcome in the columns of both secular and church periodicals. In both prose and poetry his writings proved a worthy adjunct to his pastoral ministry.

As a preacher and writer he would be classed as a moderate liberal. He was not a victim of the extremes that marked much of the preaching and discussions during a part of the time of his ministry. He matched the barrenness of hostile critical thought with a fervent evangelism and the uninformed religious fervor with a thoroughgoing scholarship that sought the truth unafraid. He regarded his religious faith so highly that he honored it with the most painstaking study. He was sufficiently aware of the meaning of learning to know that scholarship to be safe and complete must be Christian.

His book, "Shorten the Line," published by the Methodist Publishing House, was a worthy contribution to the moderate position and helped to clarify our thinking during the days of the Fundamental-Modernist controversy. In it he attempted to reconcile the honest thinkers of both groups and urged us to waste no time upon the many things of secondary import and concentrate our energy and interest upon those few and indispensable fundamentals precious to both.

In 1933 Centenary College recognized his exceptional ability and excellent service by conferring upon him the honorary degree of Doctor of Divinity, and in doing so honored both itself and him. Of this honor he was eminently worthy and for it he was modestly and pardonably proud, prizing it above any honor he had received.

Of him a son says, "Through the coming years, many will remember him, no doubt, for the eloquence and logic of his speech, and others perhaps for his gracious and winsome manner; but all who knew him well will continue to love him for the depth of his understanding, the warmth of his sympathy, the generosity of his friendship, and the rich resources of his spiritual strength."

We guess one's goal by the road and direction he travels, and we conclude its meaning and quality by the quality and character of the traveler. Of that realm to which he passed when the trumpet sounded for him on the other side he bravely wrote:

Heaven is not here nor there:
Heaven spreads to everywhere.
No stately city at Journey's End,
But a billion highways that branch and bend,
Dip into the abyss, roll up the steep,
Climb over the graves where the dead spheres sleep;
Glide through the dim tunnels where chaos is black,
Pursuing or crossing the wild comet's track:
Warm boulevards scaling each cold ether grade
To every bright sun that the Great God has made.

Heaven, a maze of love-lit lanes
Woven through all the starry plains
Wheresoever the Father reigns,

And ending—never.
 Heaven is no place apart:
 Heaven's in the human heart;
 A heart immortal, that shall abide
 When earth hath vanished and time and tide
 To cycles have yielded place,
 And life is not reckoned in terms of space:
 The soul's spacious center, an infinite Here;
 Its border transcending the endless Nowhere.
 That's heaven!—Humanity raised from the sod—
 Divine in the image and fullness of God.
 No rest and ease at set of sun,
 Nor full content with guerdon won:
 Heaven's adventure just begun—
 And on—forever.

LUTHER CAVEL WILSON

1865-1946

Luther Cavel Wilson, son of William Thomas and Mary Ragan Wilson, was born in Tipka county, Mississippi, near Chalybeate, August 5, 1865. He spent his boyhood on his father's farm, attended the local public school. In 1890-91 he attended the Iuka Normal School, known widely for sending out so many men and women that became prominent in Mississippi affairs. Here he met the young woman that later was to become his wife.

He united with the Methodist Church at old Camp Ground on the then Jonesboro circuit, now Chalybeate circuit, when sixteen years of age.

He was granted license to preach by the quarterly conference of the Chalybeate charge on August 27, 1887, at the age of twenty-two years, by Rev. J. B. Stone, presiding elder, Rev. B. B. Sullivan, pastor, and W. T. Wilson, his father, Secretary of the quarterly conference.

His first charge was as supply on Redfield circuit, Little Rock Conference, in 1889. He served Selma circuit as supply 1890. Following this he went to Iuka Normal College.

In the fall of 1891 he was received into the Little Rock Conference on trial and was appointed to the Arkansas Post circuit. He was soon promoted to the City Mission work in Pine Bluff, Arkansas. Here he organized the Riverside Church that now is Carr Memorial Church on Sixth Avenue. He was pastor here three years, then served in succession: Dewitt, Benton and Amity charges.

Ill health came as a warning and he was transferred to the Pacific coast, Oregon Conference, Columbia, and stationed at Grant's

Pass where he served two years. He was then transferred to the Pacific Conference and stationed on Red Bluff Charge, California, where he served three years. At the end of this period he was transferred to the Louisiana Conference where he spent the remaining years of his ministry. In this conference he served Kentwood, Zachary and Slaughter, Amite, Franklinton, Mer Rouge, Oak Ridge, Grand Cane, Clinton, Lake Arthur, Athens, Boyce, for seven years. At the end of this pastorate he was superannuated. After superannuation he served Alco and Colfax and Montgomery charges. In 1937 he returned to Iuka to spend his remaining years in the old ancestral home of his wife where he came as a bridegroom more than fifty-one years ago.

During his four years pastorate at Amite a disastrous tornado swept away the town. The parsonage and church were destroyed. The pastor's family was miraculously saved, one of those marvelous dispensations of divine providence.

On January 17, 1895, he was married to Miss Minnie Lee Bannette of Iuka. Theirs was a happy home and married life, a devoted couple. In his declining years he was most tenderly nursed by his devoted wife, six years his junior. God blessed their home with six children, one dying in infancy. Two sons and three daughters were reared to maturity and survive their father. All were at his bedside at his passing. They are Mrs. Amy Lee Hornbeak, Mer Rouge, La., Pearl Conway, Mrs. Gandy, of Athens, La., Dr. Barnett Wilson, Rex Hospital, Raleigh, N. C., Clifford Wilson, Library of Congress, Washington, D. C., and Mary Alice, Mrs. Walter Tiltjen, Mt. Vernon, N. Y.

Bro. Wilson was a sound gospel preacher, evangelistic in spirit, a teaching preacher who ministered to the needs of his congregation. He was faithful in every good work. To sum up his virtues would be to catalog the christian virtues of a true follower of Jesus Christ.

He had a fine sense of innocent humor that stayed with him until his dying hour. He was universally beloved. He enjoyed the confidence of every citizen of Iuka.

Burial services were held in the Methodist Church, Iuka, the pastor, Rev. J. H. Holder, assisted by the District Superintendent, Dr. L. P. Wasson, Evangelist S. M. Butts and the Baptist pastor, Rev. Raymond Pate, conducting the service in the church where he was married fifty-one years ago. His body was laid to rest beneath a mound of beautiful flowers to await the resurrection angel.

"Servant of God, well done!
Thy glorious warfare's past;
The battle's fought, the race is won,
And thou art crowned at last."

J. H. HOLDER

J. L. CADY

1886-1946

James Leonard Cary was born in Acadia parish, near Rayne, La. October 7, 1886. He grew to manhood in that locality, and received the elementary educational training in the public school of the parish.

He was converted to Christ and committed himself to the Savior and the church in the summer of 1907. He soon felt the call to the Christian ministry. In the fall of the same year he was licensed to preach in the Methodist Church. After further study and preparation, he was admitted on trial into the Louisiana Conference of the Methodist Episcopal Church, South, in the year 1912. During a part of the year following he was a student in school without pastoral appointment. He did the work required in the Course of Study, and in due time he was admitted into full connection in the Conference, and ordained Deacon in the fall of 1914. Two years later he was graduated from the Course of Study and was ordained an Elder.

August 14, 1913, he and Miss Vianna Le Doux were united in holy wedlock. To this union were born two sons: Willis and Harry, both of whom are now residing in Houston, Texas, and two daughters, Marguerite, now attending school in Chicago, Illinois, and Dorothy, who is with the mother in Beaumont, Texas

Brother Cady's health failed and he was forced to ask for the superannuate relation in the fall of 1933. He moved to Crowley, La., where he made his home until recently. Because of failing health while the children were young this family had to suffer many privations, and they earned a livelihood the hard way. They were a loyal and loving family, and a credit to the community in which they lived.

After a long period of suffering his spirit departed for the home above, October 15, 1946, where there is neither sickness nor suffering, to join that innumerable band of God's faithful children to enjoy the blessedness of perfect fellowship in the family of the Father world without end. He was an earnest child of God and faithful minister in his church, a devoted husband and father.

The brethren in the ministry of the church he loved and served for twenty-one years in the active ranks offer to his dear wife and children their heartfelt sympathy and prayers for their comfort in this time of their sorrow and for the undergirding power of the Heavenly Father to strengthen and uphold them in this and every time of their need.

CLAUDE F. SHEPPARD

1884-1946

Claude F. Sheppard was born in Codeville, Ouachita Parish, La., November 3, 1884. He was the son of an honored member of this Conference, Rev. Benjamin H. Sheppard, and grew up in the environment of the holy atmosphere of a happy parsonage family. His father was my pastor in my early youth. Our pastor and his family were frequent visitors to our home and we often in theirs. While Claude was older than I, we were together much. He was brilliant in his studies, and an inspiration to the youth of the town and school. When he was graduated from Haynesville high school with highest honors, his valedictory oration was so masterfully delivered that the audience was electrified and held spell-bound. Everyone who knew him predicted for him a great future.

Claude entered the Louisiana State University, where he pursued his college studies. While there he felt the growing conviction that his life work must need be in the ministry of the church which nurtured and introduced him to the Savior. So he announced his commital to that calling.

December, 1907, he was admitted on Trial into the Louisiana Annual Conference of the Methodist Episcopal Church, South. He served his appointments and pursued his studies well, and in due time was admitted into Full Connection with the Conference, and ordained Deacon and Elder in the years 1909 and 1911 respectively. Because of his physical condition he was transferred to the Oklahoma Conference in search of a more favorable climate in which to work. While there he served the Duke circuit and a church in Oklahoma City. He returned to the Louisiana Conference in the fall of 1916 and was assigned to the Gibsland Circuit. From that time until his retirement he served appointments where the work was hard and the emoluments attached thereto were small. His family was forced to suffer many hardships, and he had a mighty struggle to meet the needs of his family and to battle against the devil on all sides. His father used often to quote: "Jordan am a hard road to trabble," and he traveled that road to the end. He was obedient to the order of the church, and like a good soldier, went where he was sent, to labor and suffer hardships that must needs be to carry the gospel of his blessed Savior to build up the faith among the believers and to convert the sinners.

November 16, 1910, he and Miss Jessie M. Selser were united in holy wedlock. To this union were born children, two of whom now survive—Mrs. J. P. Durham, Sr., Atlanta, Ga., and Lt. Benjamin Candler Sheppard in the armed service of his country. Claude Sheppard was a faithful husband and a sympathetic and devoted father,

and a loyal minister in the church to which he devoted his life, having given 36 years in the active relationship.

Because of impaired health, and under the advice of a physician, Claude F. Sheppard was relieved of the pastoral care of the church at Olla, La., and at the Annual Conference session in November, 1943, he was retired. After a short time spent with his daughter in Atlanta, Ga., he moved with his wife to Shreveport, La., where he found employment in the Revenue Department of the State of Louisiana, and maintained that business relationship until his death, Jan. 14, 1946.

There remain to mourn his passing his wife, a son and a daughter, his dear mother, Mrs. B. H. Sheppard, several sisters and a brother and other loved ones. To all these we, his brethren in the ministry, offer our heartfelt sympathy and prayers for their spiritual comfort. To these we say: "Be of good courage; fear not, for our heavenly Father has promised to strengthen and uphold us by the right hand of his power." May God give you faith to believe "that he is able to keep that which is committed to him."

MRS. I. T. REAMES

1863-1946

Mrs. I. T. Reames was born at Clinton, Louisiana, January 21, 1863, and departed this life June 30, 1946, at the age of eighty-three. She was buried at Vivian, Louisiana, where she and Brother Reames had lived since his retirement from the active ministry.

Not only did her death mark the end of a long earthly career of christian service, but it also ended on this earth a beautiful and inspiring marriage career that lasted almost sixty years. On their wedding anniversary in October of this year her faithful companion, now left alone in their Vivian home, wrote:

"Beyond the sunset may we spend
Delightful days that never end"

During forty years of the itinerant ministry that carried her over the State of Louisiana and into the far western states of Montana and Oregon she was in every way a faithful helper and devoted companion, "in sickness and in health." Although her first interest lay in the welfare of her husband at all times, she nevertheless was a ready and capable worker in every phase of the church program. Her instant services and gentle spirit brought to her an ever increasing host of admiring friends wherever her husband was assigned during his ministry. In her declining years, after retirement in Viv-

ian, she continued her loyal devotion to all interests of the Kingdom and enjoyed the loving ministrations of dear friends of former years.

Her quick mind brought many bright and helpful sayings to her husband and circle of friends, the following being a few most often remembered:

"If every one tried as hard as I do to live right, I wouldn't want a better place to live than this old world."

"I'll not have to account at the judgment for mistreating a child or a negro."

"The Methodist Church is my church. I belong to it and it belongs to me. I'm going to attend even if the Bishop sends 'Old Nic' as the pastor."

Mrs. I. T. Reames has indeed "finished her course" upon this earth, but "henceforth there is laid up for her a crown of righteousness" for work well done and a life well lived.
